

DISTRICT 33K LIONS EYEMOBILE, INC.

Dear District 33K Clubs:

In 1970, through a donation from the Somerville Lions Club, District 33K procured its first Eyemobile. It was replaced in 1973 with a movable trailer with the help of both the Somerville and Waltham Lions Clubs. The present Eyemobile, brought on line in the spring of 1998, is a self-powered modern vehicle with screening equipment for sight, hearing and blood pressure.

We would like to extend our thanks to you for your donations during the 2014-15 Lions year. Because of your generosity, we were able to do some extraordinary maintenance on the unit without having to access reserve funds. Without your support there is no way these screenings could have been as successful as they were.

In addition to the many events that have already been completed, a large number of events are scheduled for the rest of 2015, and the list of events is steadily growing. We urge every Lions Club in District 33K to make use of the Eyemobile to provide a screening opportunity to those in their communities.

Members of the Board of Directors are available to speak at your meetings or to provide information on how to plan an event with the Eyemobile. The District 33K Eyemobile website, www.33keyemobile.org provides for on-line booking of events, informational resources and contact information.

District 33K Eyemobile, Inc. is a non-profit 501(c)(3) corporation wholly owned by the Lions Clubs of District 33K. There is no cost to the public whatsoever for its use. Operating expenses and maintenance costs for the Eyemobile are offset by donations from the Lions Clubs of District 33K. With the increasing cost of fuel, maintenance and insurance, operating expenses are higher than ever.

The current Eyemobile still serves us well but is increasingly in need of more than routine maintenance in order to keep providing a safe and quality product to our clubs and communities. The time has come for the Eyemobile to be replaced with funds the Board has been putting aside from club donations for that purpose together with a grant from Lions International.

With this in mind we ask all District 33K Lions Clubs for their continued financial support to keep the Eyemobile fully functional. Thank you.

Donations may be sent to: PDG Hank Tamagno, Treasurer, 91 Dorset Road, Holliston, MA 01746 or may be presented at any District 33K event.

Yours in Lionism,
Jeff Hall, President

Officers 2013-15

President: Jeff Hall
VP: Bill Skinner
Secretary: Russ Hallisey
Treasurer: Hank Tamagno

Directors 2012-15

Richard Lamb
Valdo Meneses
PDG Tony Minucci
